

EGIBIDE

 Egibide

EGIBIDE is social initiative non profit organization school, inspired with Christian Humanism and with Catholic Church Social doctrine. We were born in 2012 from the merging of two leader organizations concerning Technical Education: Diocesanas (1942) and Jesús Obrero (1945).

We are placed in five different locations teaching:

- **Secondary Compulsory Education**
- **Baccalaureate**
- **Basic Technical Education**
- **Middle Degree Formative Cycles**
- **Upper Degree Formative Cycles**
- **Training for Employment**
